About RKMVERI

Ramakrishna Mission Vivekananda Educational & Research Institute (RKMVERI), declared by the Government of India as a Deemed University, is a multi-campus University with its Headquarters at Belur Math, West Bengal. Under the aegis of the renowned philanthropic and charitable organization 'Ramakrishna Mission', the University was started in 2005 with a vision to be a Centre of learning blending the twin excellences of ancient Indian wisdom and modern scientific knowledge and technological skill, imparting life-building, character making education.

Its mission is to strive for excellence in teaching, research and all academic endeavours, blend it with Eastern and Western values, to develop integrated personalities harmoniously combining the three H's – Heart to feel, Head to think, Hands to work along with a deep sense of social responsibility. We are delighted to state that our University got the highest **A++** accreditation by NAAC. RKMVERI has four campuses in key locations at Belur (Main campus), Coimbatore (Tamil Nadu), Ranchi (Jharkand), and Narendrapur (Kolkata, WB).

About Department of Sports Sc & Yoga

In the year 2012, the University established a full-fledged academic department to promote scientific study and research related to sports, including adapted sports, and yoga - **'Department of Sports Science & Yoga'**.

The five-storey building christened as 'Atma-Vikas' (literally, five-layered self-development) houses the Department of Sports Science and Yoga, equipped with modern laboratories and classrooms, state-of-the-art conference room, a fully functional fitness centre and huge Yoga halls, dedicated exclusively to teaching and research in the fields of Sports Sciences and Yoga.

About the Open house

Motivation, effective training, 360 degree scientific support, nutrition, tactical planning and other aspects play a role in sporting success. India's performance in the Tokyo 2020 Summer Olympics and Paralympics, where India won 7 medals including one precious gold medal won by Neeraj Chopra in Javelin throw, signifies the importance of proper training and recovery management. An incredible 19 medals achievement in Paralympics, including 5 gold medals, further demonstrated the importance of scientific support during training. To compete and level with the internationally leading countries in sports arena and to cater in the modern-era of scientific approach to sports, it is necessary for our nation to have skillful knowledgeable sports science professionals those who can use latest technologies and advanced tools to analyse athletes and provide necessary suggestions to improve health, fitness and performance.

Therefore, the Department of Sports Science and Yoga of RKMVERI, Belur Math is organizing a one day open house career counseling for the final semester bachelor students from various disciplines on 23 July 2023.

In this open house, the aspiring students from various Universities will have the opportunity to interact with faculty members, understand about the importance and opportunities of studying sports science, how sports science support helps, and to visit various sports science laboratories.

This 'Open House' is being conducted under the aegis of UNESCO Chair in Inclusive Adapted Physical Education and Yoga (ID 1004).
