“Education is the manifestation of the perfection already in man.”

“We want that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one’s own feet.”

“Experience is the only teacher we have. We may talk and reason all our lives, but we shall not understand a word of truth until we experience it ourselves.”

“Neither money pays, nor name, nor fame, nor learning, it is character that can cleave through adamant walls of difficulties.”
